

WUWNet'09

Transportation Details

Conference Hotel

Doubletree Berkeley Marina
200 Marina Blvd., Berkeley, California, United States 94710
Tel: 1-510-548-7920

Workshop Location

Bechtel Engineering Center (near Sibley Auditorium, Davis Hall) on the campus of UC Berkeley
Technical sessions: Bechtel 120ABC (1st floor of Bechtel Engineering Center)
Poster/demo session: Garbarini Lounge (2nd floor of Bechtel Engineering Center)

Shuttle

A complementary shuttle bus service for WUWNet/BuildSys workshop attendees is provided between UC Berkeley campus and the conference hotel (distance is around 3.8 miles, 6 km). This dedicated shuttle departs on the scheduled times indicated below and drops you off about 5 min from Bechtel Engineering Center where WUWNet is held. Allow around 20-25 min to get from the hotel to the workshop (note: the shuttle capacity is 49; there are ~100 attendees total for the workshops). After the workshop, shuttles back to the hotel depart from where you were dropped off in the morning.

WUWNet/BuildSys shuttle (capacity: 49)

Doubletree – UC Berkeley: 7:15am, 7:45am, 8:15am, 8:45am (approximate)

UC Berkeley – Doubletree: 5:30pm, 6:00pm, 6:30pm, 7:00pm (approximate)

In addition to this workshop shuttle bus, the hotel also has a small 8-person van that leaves the hotel on the hour (8 am, 9am, 10am, etc.) and you can ask the driver to drop you off at the campus north entrance. Contact the hotel lobby if you want to take this shuttle. To schedule a return pickup, call the hotel.

Parking

Parking is limited on campus. We suggest you take the free shuttle buses between the hotel and campus. If you need to park on campus, you can go to the Lower Hearst Parking Structure, level 2 to pay for parking (entrance is on Scenic Ave).

Maps

There are some basic maps on the other side of this flier. Additional maps are available at the conference registration desk (in Bechtel Engineering Center).
